THINK ON THIS

OTHER THINGS TO DO

**When it time to worship God
And to occupy my pew,
Will I assemble with the saints
Or find other things to do?**

**When God needs my service to Him
And wants me to help a few,
Will I do what needs to be done
Or find other things to do?**

**When I sit down to rest awhile
With quite reading in view
Will I read the Word of God
Or find other things to do?**

**When I stand before the throne
And God renders what is due
Will He grant me mercy or will He
Find other things to do?**

Reflections From Tim

THE DAY CHRIST CAME (AGAIN)

Are You Ready?

Part 5

Then George remembers something he heard the preacher quote in the last sermon he heard.

John 5:28-29; "Do not marvel at this; for the hour is coming in which all who are in the graves will hear His voice and come forth, those who have done good, to the resurrection of life, and those who have done evil, to the resurrection of condemnation."

1 Cor 15:51-52: "...we shall not all sleep, but we shall all be changed in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised incorruptible, and we shall be changed."

George was now running. He was not far from home, and his only thoughts were to get home. He was in a daze. Suddenly he could hear the sound of a trumpet, a sound that chilled him to the core. Out of the corner of his eye he noticed many glorious bodies rising into the air... (to meet the Lord).

It was increasingly difficult to keep his feet because the tremors were increasing. Suddenly in his head, he heard the most terrible cry he had ever heard in his life, a tearing, searing cry of a soul in agony. It was some time before he realized that cry was coming from himself.

He passed several standing dazed, whose funerals he had attended, but this did not surprise him, it seemed nothing surprised at this point.

He passed a funeral procession that had stopped in the middle of the road. The back door of the hearse was open. The lid of the casket was thrown back. It was empty!

He sped on. Around him, the cries, wails, and shrieks increased. However, from above him came the sound of singing, a glorious refrain of rejoicing and triumph. Nevertheless, it brought no comfort to George's soul.

He ran and ran. He forced one foot after the other, he passed block after block, and finally he was home.
